

Marin Science Seminar

For Teens, Educators & Families – at Terra Linda High School

Science, Multimedia & Outreach Internship

About Marin Science Seminar

Since 2008, the Marin Science Seminar (MSS) brings local, working scientists: engineers, physicians, computer programmers and research scientists, to speak to high school students twelve times a year. Students learn what real scientists really do. MSS also provides information on local science events, summer internships and runs several science and technology-related social networking sites.

Internship Details: Spring 2012 Internship: January 25 – April 6

Explore science, meet scientists, educate others! MSS interns attend and assist with 6 science seminars per semester during which they meet the speakers and assist with various logistical duties. Sessions take place on Wednesday evenings at Terra Linda High School, Room 207, during the school year. Interns arrive the evening of a session at 7 pm and are free to leave once breakdown is completed (no later than 9 pm). Interns assist in researching and writing about event topics, creating and distributing outreach materials, social networking and online development of Marin Science Seminar's mission to attract more students to the fields of science, technology and math. Other than attending all sessions, duties will depend on student interests and background. Training is provided for all intern tasks.

- Attend and assist at all 6 sessions
- Create & distribute outreach materials for events in MS Word
- Research & post blog postings on topics relevant to upcoming sessions
- Manage the MSS Facebook page & events
- Assist with creating & editing video for MSS movies
- Group intern meeting every other week for 1 hour TBD

Requirements

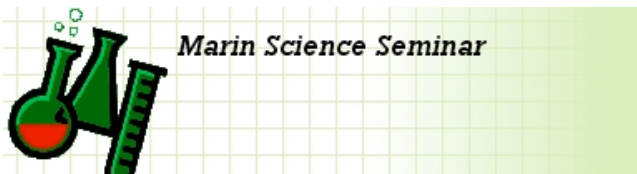

Student interns must be teenagers attending a Marin County **public** high school. They must have decent writing skills and familiarity with the main social networking sites. Prospective interns will be interviewed between 1/11 and 1/18/12.

Instructions

The full application packet (including application, resume and teacher rec.) must be **received** no later than 5 pm on **Wed. January 11, 2012**. You may email a scanned copy of all forms to marin scienceseminar@gmail.com or return it to the Terra Linda HS CCC or mail it to "M. Makarewicz, CCC, TLHS, 320 Nova Albion Way, San Rafael, CA 94903. Interns will be notified by Wednesday, January 18, 2012 at 5 pm.

Contact

For more information, visit the MSS website at <http://www.marin scienceseminar.com/>. You can contact MSS coordinator Alfia Wallace at marin scienceseminar@gmail.com or at 415-860-2573.

Science & Multimedia Internship Application - Return by Wed. 1/11/12

Today's date _____ Semester applying for: _____

First Name _____ Middle Initial ____ Last Name _____

Email _____ Phone _____

Address _____

Contact me by (check all that apply) Email ___ Phone ___ Text ___ Facebook ___

School _____ Grade _____ Date of Birth _____

List of High School Science classes in progress: _____

List of High School Math classes in progress: _____

Which areas of science, technology or math/computing interest you most?

Please check which of the following social networking sites or protocols you use. (Don't worry – we won't try to friend you on Facebook unless you ask to friend us.)

Facebook ___ Twitter ___ YouTube ___ Blogging (Tumblr, etc.) ___

Do you know how to upload movies to YouTube? Yes ___ No ___

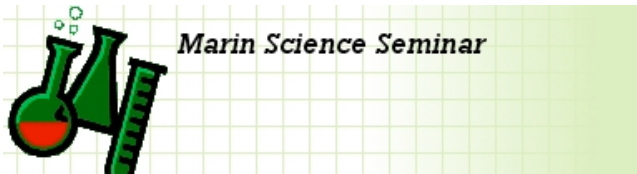

Please check your level of proficiency in the following software. We will train.

Software	None	Beginner	Intermediate	Advanced
Microsoft Word				
Creating Adobe .pdfs				
Microsoft PowerPoint				
Apple Keynote				
Adobe Dreamweaver				
Movie editing software				

Are you especially interested in learning or improving your skills in any of the above software programs? If so, which one/s? _____

Do you have experience taking video? Y ___ N ___

Please include anything else you would like to tell us about you and your interest in science, math, technology, computers or multimedia on the other side of this paper, or via email. If you have experience with public speaking or acting, please also let us know.

Teacher Recommendation Form for Marin Science Seminar Internship

Applicant Name _____
