

Marin Science Seminar Presents

How We Know What We Know about the Brain

with Raymond Swanson, M.D.

A one-hour multimedia presentation for Marin High School Students and Teens in Marin

Wednesday, January 25th, 2012

7:30 – 8:30 pm

Terra Linda High School, Room 207

320 Albion Way, San Rafael, CA 94903

Dr. Swanson will talk about how we have learned what we know about the brain and about his work's impact on **Alzheimer's disease and stroke**. He will also talk about how scientists work to figure out why neurons die and what can be done to keep them alive.

Dr. Swanson is Professor and vice-Chair of Neurology at UCSF, and Chief of the Neurology Service at the San Francisco Veterans Affairs Medical Center.
